SPORT IN SCHOOLS AUSTRALIA YEARS K-2 TERM 4 2009

Dear Parents

Next term our school will participate in the Sport in Schools program again. Sport in Schools is designed to provide fun filled weekly challenges which enhance the development of physical education and social skills common to modified and traditional sports.

All classes will be involved in weekly lessons of 40 minutes duration on the school oval. Equipment is provided and lessons are taught by qualified PE teachers. Lessons are tailored to meet the developmental stages of each grade and to challenge each age group.

The Sports in Schools program will begin on Tuesday of week one next term and continue each week, regardless of weather conditions, for ten weeks. Students will need to wear their sports uniform to school on Tuesday.

The cost of this ten week program is \$35.00.

So that your child can participate in this weekly sport program please complete payment details on the attached payment envelope and return to your child's class teacher on the morning of the following money days:

Tuesday 22 September

Thursday 24 September

There will be no refunds if a child misses a lesson.

Please send the correct money to your child's teacher and use one permission envelope per child.

We look forward to your child's participation in Sport in Schools.

J Smith
Sport Co-ordinator

A E Stewart
Principal
